UTPA News Bulletin

Secretary's Corner

Thanks everyone for coming out to the first show of the year in Hurricane!

We had a great turnout with some tough cattle. And now we know how Hurricane got its name. Good thing we played inside or the wind could of carried us away. Thank you for everyone's patience as we sort out the hitches in the draw. It looks like the draw is a good thing - our numbers increased and draw teams placed over pick teams.

As Dave mentioned in the last newsletter, we increased the pay out in the penning classes 5%. As a result, the open class paid over \$400 a man for first place! This next show the pay outs will remain the same as last year, but the entry fees for the penning classes will be dropped \$5. The board will be comparing the two shows, so please voice your opinion! If you don't feel comfortable speaking directly to someone, check out the web site. There is an anonymous comment box, so please use it.

If you didn't come to the first show, please make sure you declare your rating (if sorting and penning ratings differ). If you don't, your highest rating will be used to calculate high money buckles at all the shows.

I'm still looking for show directors....please help us out so that we can keep prices low. I'm not afraid to volunteer folks!

See everyone in Tremonton. We should have another great show with fresh cattle. There will NOT be concessions so please plan accordingly.

Ride safe,

Crystal
